This Committee will examine all research projects involving human subjects directly or indirectly from ethical medical practice point of view. In addition, this Committee will also examine complaints related to malpractice, plagiarism and issues related to "conflict of interest" in scientific publication involving faculty members, scientists, residents and students of AIIMS. This Committee may also give opinion on ethical issues in matters referred to it from Government of India. State Governments, Medical Council of India, State Medical Councils and any other Statutory Body.

~~The institutional ethics Committee will meet in the months of January, February, March, April and August, September, October, November. In rest of the four months there will be no meeting in view of the summer and winter vacation. The applications for ethical clearance will be considered within 2 months of submission in the format for ethical clearance prepared by the Ethics Committee.~~

All research projects other than related to postgraduate thesis and dissertation will be submitted to this Committee for approval.

The Ethics Committee may call upon the following subject experts who may be requested to give their expert opinion related to their specialty.

1. Prof. Anjan Trikha, Deptt. of Anaesthesiology
2. Prof. Madhulika Kabra, Genetics
3. Prof. Raju Sharma, Deptt. of Radiodiagnosis
4. Prof. S.V. Deo, Surgical Oncology
5. Prof. Rakesh Kumar, Deptt. of Nuclear Medicine
