WELCOME MESSAGE

Dear Friends,

On behalf of Organizing Committee of the 6th advanced Lapuroworkshop 2019, it is my great pleasure to invite you to join us on 12th and 13th of October 2019 and welcome you to Ahmedabad, a great city of western India.

In the previous workshops we had demonstrated 24-26 laparoscopic and robotic surgeries in each workshop. In lapuroworkshop 2013, 2015 and 2017 we had demonstrated 3D laparoscopic surgeries by finest international and national faculties.

The 6th advanced Lapuroworkshop 2019 will be a stimulating exchange between professionals, both national as well as from overseas, in the field of advanced laparoscopic Urology procedure.

It will be our endeavor to bring together specialists from all corners of the globe and also give an opportunity to all our visitors a taste of our local hospitality and culture. We look forward to welcoming you in Ahmedabad in October 2019 and hope this will be a rewarding experience of celebrating 6th consecutive lapuroworkshop.
