Respected Sir,

I m Meenu Khanna.i just want to give thanks to you n your staff because I have taken the best n right treatment for my mother in law from your hospital.Now she is fine.Dr. RAJINDER PRASAD did her successful surgery.He is very intelligent n passionate doctor.Infact all the staff in your hospital is very cooperative.Thanks to you also because only because of you this hospital is giving good services to the patients of all categories.The best thing of your hospital what I have never seen in other big commercial hospitals is hygiene.Overall people like you have made our country the best country of this world.if I get a chance to see you in future, it ll b grateful to me.i ll thank you personally.i ll also write a letter to our Prime Minister about this hospital.

Thanks.
