Dr. H. P. Singh	Main AIIMS

Doctors, Staff Nurses, Sisters, Sanitation Staff of TC 1, TC 6 & TC 7 JPNATC.

There must be many more whose names are not mentioned due to many reasons. The treatment and attention got by the patient was not only impressed all of her relatives, friends and the concerned.

We all found ourselves short of words to express our gratitude and the words could not be gathered from our vocabulary to meet the feelings at par to the manner the patient has been treated in JPNATC.

We have developed a feeling of national pride along with the deep sense gratitude when it is communicated by countless persons about the sincere and careful attendance extended by JPNATC to us.

We are feeling ourselves compelled to extend the present letter alongwith our best wishes to you and all your staff members.

It would be an honor to the efforts and pains taken by Dr. Vijay Sharma, Dr. Vivek Tirkha, Dr. Satya Prakash & Dr. Manish Kumar Singhal if their names would be recommended for the apex award of their profession.

Any Award is not only recognition for the awarded but also a motivation for others. So there should not be any hesitation to grant any award or recommendation for the same.

With warm regards,

Ratan Lal Agrawal
