

List of Machines being used in Central Workshop

S.N.	NAME OF MACHINES	Qty.
01	Shaper 10 ½" Stroke Metal Cutting with Clutch and Vice	01
02	Drilling Machine High Speed Heavy duty	01
03	Milling Machine	02
04	Lathe Machines	02
05	Wood Thickness Planner & Jointer	02
06	Curving Roller (Metal Sheet)	01
07	Buffing Machine (Polisher)	01
08	Metal Sheet Bending Machine	02
09	Power Saw for Wood Cutting	01
10	Metal Sheet Shear Machine	01
11	Spot Welding Machine	01
12	Gas Welding Set	01
13	Mobile Floor Crane Cap 10 CWT (Quintal).	01
14	Table Drilling Machine	04
15	Hand Press Punching Machine (Metal Sheet)	01
16	Circle and Ring Cutting Machine (Metal Sheet)	01

17	Electric Arc Welding Machine	01
18	Grinding M/c Single Phase	05
19	Portable Electric Arc Welding Machine	02
20	Gas Metal Arc Welding Machine	01
21	Electric Cutter (14" Wheel)	01
22	Small Angle Cutter (4" Wheel)	02
23	Portable Hand Drill Machine	01
24	Portable Hand Drill Machine (Heavy Duty)	01

Shaper 10½" Stroke Metal Cutting with Clutch & Vice

Radial Drilling High Speed Machine

Precision Milling Machine

Vertical Milling Machine with Metric Dials

Lathe Nuttal 6½' (Lathe Machine)

Lathe Lorch (Hercus)-(Lathe Machine)

Wood Panel & Planing & Thickness Machine

Wood Hand Planing & Jointing Machine

Curving Roller (Geared)

Polisher (Buffing Machine)

Cramp Folder & Hender (Sheet Bending M/c)

PAN Brake (Sheet Bending M/c)

Radial Power Saw (Wood Cutting Saw)

Guillettine Squiring Shears (Metal Sheet Cutter)

Spot Welding Machine

Gas Welding Set

Mobile Floor Crane

High Speed Drilling Machine with Safety Guard

Hand Press Punching M/c (Sheet Metal)

Circle and Ring Cutting Machine (Sheet Metal)

Electric Welding Machine

Grinding Machine

Gas Metal Arc Welding Machine

Portable Arc Welding Machine

Electric Cutter
