Any other items:-

Dr. A. K. Deorari said that, in the seminars for undergraduate teaching programme, the senior most faculty member should take responsibility for coordination and time management while seminar presentation. He further said that additional classes on clinical case based techniques have been included for seventh semester students and over all feedback about the lectures and seminar is positive.

He further said that an SMS alert/Email should be sent to the faculty members in advance and may be repeated a day prior to the lecture by Computer Facility.

[Action: Computer Facility]

Dr D K Gupta congratulated Professor R Guleria and said that because of his simplicity and wonderful personality he will take the AIIMS New Delhi to newer heights of excellence.

He raised his concern regarding the quality of patient Care at AIIMS. He further said that efforts are to be made to improve the quality of patient care at AIIMS. He also expressed his displeasure over unplanned construction and expansion at AIIMS. He suggested that instead of individual blocks/buildings, a single building of super-

P.T.O.

specialty services with 1000 bed capacity should be constructed. He also raised the concern over unfriendly access of CNC to patient

He also said that there should be strong work relationship with MOHFW GOI for smooth functioning and earliest approval of policy decisions.

(Action: DD(Admn)/Engineering Section/MS,AIIMS)

Dr. Rita Sood spoke about quality improvement in medical education. It was further said that all the departments should work on quality and innovation. The Department should also develop standard treatment guidelines/protocols to be followed.

[Action:- MS, AIIMS]

Dr KK Deepak spoke about the integrated curriculum based teaching program to make teaching more effective.

(Action:-Academic Section)

Dr Naveet Wig said that many new courses that have been started at AIIMS New Delhi and many newer projects that has been approved and for which construction is going on needs to be reviewed by the committee to be constituted by competent authority.

(Action: - Academic Section/Engineering Section/D(Admn))

Dr Balram Airan said that there should be rotation of residents working in medicine, geriatric medicine, pulmonary medicine and other specialties in emergency medicine department for smooth functioning of emergency services at AIIMS.

(Action: - All concerned Departments)

Dr C S Bal raised the issue of pay fixation of faculty members as per 7th CPC.

(Action: DD(Admn) Faculty Cell)
