

POLICY FOR BLOOD DONATION OF MAIN BLOOD BANK

The policy exists to ensure safe and adequate blood supply to the patients.

This policy is in sync with the Drugs and Cosmetics Act.

1. Main blood bank allows whole blood donation/ SDP donation and Autologous donation. Both replacement and voluntary donors are welcome.
2. Donors under pressure/coercion shall not be entertained.
3. All replacement donors coming for donating for patients must carry donor slip from the attending doctor with all patient details and signature of the doctor.
4. All donors have to carry valid photo ID card for registration. They have to undergo the process of filling of donor questionnaire, photograph and biometric capture before registration.
5. All individuals willing to donate and who fulfil the eligibility criteria for blood donation as per the DCG (I) shall be accepted after physical examination and counselling. All processes in donor selection are as per the valid SOP of blood bank.
6. Professional/Paid/Remunerated donors are not accepted for donation. If caught, they will be handed over to the hospital security.
7. All patients requiring help must get in touch with the MSSO/ CMO of the main blood bank. They must at no cost enter into any financial transaction with anyone in this regard as blood is given free of cost to all our patients from blood bank.
