Subject: Submission of Proposal for commencement of Oral Ulcer Clinic in CDER.

Dear Sir,

I would like to submit a proposal for commencement of ORAL ULCERS CLINIC in CDER.

Oral ulcers is a common complaint seen in Oral Medicine & Radiology OPD in CDER. Most of the patients are new cases referred from other hospitals and private practitioners while some are referred from other departments at AIIMS and CDER.

The Oral Medicine & Radiology division at CDER specialises in the diagnosis and management of oral lesions and would like to contribute to the care of such patients at AIIMS. The clinic has been running on a trial basis for past 2 months and in view of the response by the patients, we wish to formally start this clinic on a regular basis. The faculty in the division,

Dr. Shalini Gupta has previous experience of over 13 years in the speciality of Oral Medicine & Radiology. The clinic will also be supported by Faculty from Oral Pathology and Community Dentistry and Senior Residents.

Clinic Venue: Division of Oral Medicine & Radiology
Ground Floor, CDER

Timings: Wednesday 2PM to 4PM

I would therefore request you to kindly consider the proposal for commencement of ORAL ULCERS CLINIC at CDER w.e.f. 27-7-2016.

Thanking you,
Yours sincerely,

Mr. Jayesh
