F.No.Engg/CD-III/Housing/2017

Dated: 11.05.17

NOTICE

Subject: Redevelopment of AIIMS Campuses –
Notice for Interactive Meeting on 15.05.2017 at 4.00 PM -
.....

AIIMS is in active phase of expansion and modernisation. At this pace it is expected that the staff strength of AIIMS would almost become double in the next 7-10 years' time. This would necessitate the need for augmenting present housing capacity. The satisfaction level of the residential capacity, as on date, is approx. 17 %. Also the present day houses have become dilapidated and have outlived their useful lives. In pursuance of the aim to prepare for the futuristic needs and to improve the present day qualitative issues of houses, it is perceived to redevelop the existing residential campuses by replacing the existing low rise houses with high rise blocks. An ambitious scheme has been prepared and is ready to take off. To showcase the said scheme and to have an interactive session with the user base, a meeting will be held on 15.05.17 at 4.00 P.M at JLN Auditorium. Director, AIIMS would preside over the said meeting to address all concerns of the users.

All are invited to attend the same to provide constructive inputs.

(M Rastogi) 11.5.17.

Superintending Engineer
