In continuation of letter of even on. dated 27.01.2021, the COVID-19 vaccination for serving all AIIMS employees including outsource staff is being undertaken at the New RAK OPD (8th floor), EHS facility, AIIMS on all working days from 09:00 A.M. to 05:00 P.M.

In this regard, reference is drawn to letter DO No.1940407/2020/Imm dated 06.02.2021, whereby it has been informed by the Secretary, MoHFW, Govt. of India intends to complete vaccination of all health care workers by 20.02.2021 and complete mop-up round by 25.02.2021 so that atleast one round of vaccination is completed. **Health Care workers willing for vaccination are therefore strongly encouraged to get vaccinated before 25.02.2021 failing which it shall be presumed that they are disinclined towards getting COVID-19 vaccination.**

For the convenience of our employees walk-in vaccination facility at EHS OPD has also been operationalized from 28.01.2021 on all working days from 09:00 A.M. to 04:00 P.M., multiple counters have been made functional, and a helpline has also started. Individual SMS's have been sent from the office of the District Magistrate to majority of health care workers and social media platform have also been used to disseminate information. However vaccine hesitancy continues to remain and vaccination has been less than optimal at AIIMS, New Delhi.

Over the next ten days the District Administration has been directed to contact and send text messages to the remaining health care workers scheduling vaccination. In addition walk-in vaccination shall also continue. All Health care workers at AIIMS New Delhi can call on the **Helpline No. : 011-29576424 for verification of identity prior to vaccination.** The line is active from 09:00 A.M. till 05:00 P.M. on all working days.
