Subject : Change in policy for MRI exemption

Dear Dr Sharma,

Till now exemption for MRI charges have been authorized to HOD's (or faculty assigned by them) of main radiology, NMR, Cardiac Radiology and Neuroradiology departments besides MS and Director.

In the main department of Radio-diagnosis, the MRI load has increased tremendously.

Result is that pressure to sign for exemption has increased significantly.

Through this letter I am authorizing all the Professors in radio-diagnosis department to have the authority to exempt MRI charges. The names with corresponding signatures are given below for the record:
