61.	Dr. Madhur Kalyan	Biochemistry	SC	50.2	61	

NB:

1. When the appointments are being given from the reserve panel/waiting list, the merit position of such candidates shall be reflected in the consolidated order of merit in terms of the average score obtained by the candidate.
2. "Resolution of **"tie"** in the average score.

Step-1: Date of Birth of the Candidates. The candidates elder in age will rank higher, in the order of merit and the consolidated order of merit, to the candidates who are younger in age.

Step-2: In case the Date of Birth of the candidates are same, the tie is further resolved by date of Completion of internship for medical candidates and date of completion of qualifying degree examination for non-medical candidates.

3. The seniority of the candidates appointed from the reserve panel/waitlist will be determined by their original order of merit by which they were selected.
