ConvaTec

**TO WHOM SO EVER IT MAY CONCERN**

**PROPRIETARY CERTIFICATE**

We hereby confirm that "Flexi-Seal which is FDA approved Advanced Fecal Incontinence Management System having highly flexible Silicone catheter with Balloon which conforms to sphincter tone & anatomy and two ports for Irrigation and inflation (45ml), with finger cuff pocket for easy insertion. Highly flexible Silicone catheter made of Latex-free and PVC- free components. Closed end collection bag effectively contains fecal waste which helps prevent spread of nosocomial infections, and protects the patient's skin from breakdown that can lead to the development of Pressure Ulcers" is a proprietary product of ConvaTec and we are the sole manufactures of the same.

Thanking You

For ConvaTec India
