Proprietary Certification

To Whom It may concern:

We hereby certify that **ZOLL Medical Corporation** located at 269, Mill Road Chelmsford Massachusetts is the sole manufacturer in the world for the load distribution band technology based "**Non Invasive Cardiac Support Pump**".

Description :

The only device of its kind, the **ZOLL Non-Invasive Cardiac Support Pump** is revolutionary device that moves more blood, more consistently than is possible with human hands. Easy to use and battery operated, its load-distributing **LifeBand® - Equal Load Distribution Band**, squeezes the entire chest is also our **PATENTED PRODUCT**. As a result, victims receive more consistent, high-quality compressions which means improved blood flow.

The US patent is valid till November - 2018.
