PROPRIETARY/SPECIFIC BRAND GOODS CERTIFICATE

1.	Item/Type Model Number required along with specification.	Procurement of Consumable items of Viscoelastic Global Coagulation Testing Device (Make: Instrumentation Laboratory, Italy, Model: Rotem Delta)
2.	Is the item a spare part attachment or accessory for an existing equipment.	No
3.	Name of the manufacturer/supplier of the item proposed by the indenter.	M/s. Instrumentation Laboratory India Pvt. Ltd. Supply through: M/s. Hospimax Health Care Pvt. Ltd. (Authorized Indian agent).
	Are the sole manufacturer/sole distributors of the item?	Yes
5.	Is there any other item with similar/equipment specifications available in the market to meet the job requirement envisaged. If the answer is yes, why the same can't be procured.	No. It is specific equipment/technology which does not available with any other manufacturer/supplier.
6.	What were the efforts made to locate alternative source of supply or use other substitutes.	Internet search, enquiry from other firms/supplier available in the market of respective field.
7.	Why open/limited tender can't be resorted to, for locating alternative source.	This is specific requirement for better patient care services. As required product is not available with any other manufacturer/supplier, the open/limited tender may not be fruitful and waste of time only.
8.	Are the proprietary items certifying that the rates are reasonable or not.	Being PAC item, effort may be made to find reasonability of rates & may be negotiated by SPC/Negotiation committee.
9.	Any other justification for procuring item for single source.	To ensure better patient care service.

I certified that the item at Nr. No.1 above is required to be procured on PAC basis as the source of supply is definitely known which is meeting with functional requirement of department and limited tender system could be dispensed with as they would serve no useful purpose in the particular case.
