**Sub : Commercial Offer for Consumables of Nerve Integrity Monitoring System model NIM-ECLIPSE® E4 Nerve Monitoring System from Medtronic Inc, USA**

Dear Sir,

We are happy to submit herewith our Commercial Offer for consumables of Medtronic Nerve Integrity Monitoring System model NIM-ECLIPSE® E4 Nerve Monitoring System as per our discussions with your esteemed Institute. We hope that you would find our offer as per your techno-commercial requirement and would oblige us with your esteemed order. Please feel free to get back to us in case of any clarifications necessary

| Commercial Offer |          |                                                                                                                        |      |

| S/N              | Part No. | Item Description                                                                                                       | Unit |
| 1                | 8225719  | NIM® Pedicle Probe, Thoracic                                                                                           | Ea   |
| 2                | 8225747  | NIM® Pedicle Probe, Lumbar                                                                                             | Ea   |
| 3                | 8225759  | NIM® Pedicle Probe, Straight                                                                                           | Ea   |
| 4                | 8225720  | NIM® Pedicle Access Needles                                                                                            | Ea   |
| 5                | 8225769  | NIM® X-PAK Probe                                                                                                       | Ea   |
| 6                | SPK1004  | Surgeon-Controlled Probe Kit (Includes Straight 100 mm Flush-Tip and 175mm Straight and 230 mm Angled Ball-Tip Probes) | Ea   |
| 7                | NRE1003  | Needle Recording Electrode Kit (8-channel)                                                                             | Ea   |
| 8                | NRE1004  | Needle Recording Electrode Kit (8-Channel) with Stimulating Ring Electrode                                             | Ea   |
| 9                | MEP1001  | MEP Corkscrew Stimulation Electrode Kit, with 2 Corkscrew Electrodes, Left and Right                                   | Ea   |
| 10               | SRE1002  | Surface Recording Electrode Kit (8-Channel)                                                                            | Ea   |
| 11               | 8229960  | ENDOTRACH TUBE 8229960 5PK 6MM EMG FLEX                                                                                | Ea   |
| 12               | 8229965  | ENDOTRACH TUBE 8229965 5PK 6.5MM EMG FLX                                                                               | Ea   |
| 13               | 8229970  | ENDOTRACH TUBE 8229970 5PK 7MM EMG FLEX                                                                                | Ea   |
| 14               | 8229975  | ENDOTRACH TUBE 8229975 5PK 7.5MM EMG FLX                                                                               | Ea   |
| 15               | 8229980  | ENDOTRACH TUBE 8229980 5PK 8MM EMG FLEX                                                                                | Ea   |
| 16               | 8229985  | ENDOTRACH TUBE 8229985 5PK 8.5MM EMG FLX                                                                               | Ea   |
| 17               | 8229306  | Standard Reinforced EMG Endotracheal Tube 6mm ID, 8.8mm OD 1 each                                                      | Ea   |
| 18               | 8229307  | Standard Reinforced EMG Endotracheal Tube 7mm ID, 10.2mm OD 1 each                                                     | Ea   |
| 19               | 8229308  | Standard Reinforced EMG Endotracheal Tube 8mm ID, 11.3 mm OD 1 each                                                    | Ea   |
| 20               | NSD2750  | NIM® Stimulating Dilators                                                                                              | Ea   |
| 21               | MNP1001  | Monopolar Stimulator direct nerve probe/handle, 100 mm (10/pkg)                                                        | Ea   |
| 22               | CNP2001  | Concentric probe/handle, 100 mm (10/pk)                                                                                | Ea   |

| S/N | Part No. | Item Description                                                                                       | Unit |
|-----|----------|--------------------------------------------------------------------------------------------------------|------|
| 23  | BNP2001  | Bipolar probe/ Handle 100 mm ( 10 per packet)                                                          | Ea   |
| 24  | RSE1008  | EEG electrodes - 1.2 m, 48" - gold plated (12/pkg.)                                                    | Ea   |
| 25  | DSN2260  | Dual, twisted pair, subdermal needle electrode, 13 mm, 27G, 1.5 m, 60" (12/pkg)                        | Ea   |
| 26  | DSN6022  | Dual, twisted pair, subdermal cranial EMG needle electrode, 13 mm, 27G, 1.5 m lead, single hub (8/pkg) | Ea   |
| 27  | POC1002  | Pulse Oximeter Finger/Toe Clip, 1m lead                                                                | Ea   |
| 28  | DSE0005  | Extension Lead Wire 1.2 m, 48" assorted                                                                | Ea   |
| 29  | DSE1125  | Single surface electrode, 1.5cm x 2.0cm, 2.5m, (48/box)                                                | Ea   |
| 30  | DSE2115  | Single, 2.0 x 2.7 cm, surface electrode, surface electrode, 1.5 m, (4/strip, 48/pkg)                   | Ea   |
| 31  | DSE2125  | Single, 2.0 x 2.7 cm, surface electrode, surface electrode, 2.5 m, (4/strip, 60/pkg)                   | Ea   |
| 32  | DSE3115  | Dual, twisted pair, 1.5 x 2.0 cm, 1.5 m, (2 dual surface electrodes/strip, 24/pkg)                     | Ea   |
| 33  | DSE1115  | Single surface electrode, 1.5 x 2.0 cm, 1.5 m, (4/strip, 48/pkg)                                       | Ea   |
| 34  | DSE4115  | Dual, twisted pair, 2.0 x 2.7 cm, 1.5 m, (2 dual surface electrodes/strip, 24/pkg)                     | Ea   |
| 35  | DSE4125  | Dual, twisted pair, 2.0 x 2.7 cm, 2.5 m, (2 dual surface electrodes/strip, 24/pkg)                     | Ea   |
| 36  | DSN1299  | Single, disposable subdermal needle electrode, 13 mm, 27G, 2.5 m, 99" (24/pkg)                         | Ea   |
| 37  | DSE0001  | Extension lead wire - 1.2m, 48" Red (10/pkg)                                                           | Ea   |
| 38  | DSE0002  | Extension lead wire - 1.2m, 48" Green (10/pkg)                                                         | Ea   |
| 39  | DSE0003  | Extension lead wire - 1.2m, 48" Red (10/pkg)                                                           | Ea   |
| 40  | DSE0004  | Extension lead wire - 1.2m, 48" Green (10/pkg)                                                         | Ea   |
| 41  | FTP1001  | Flush tip probe/handle, 100 mm (10/pkg)                                                                | Ea   |
| 42  | 8225275  | Ball-Tip Monopolar Stimulator Probe Tip and Handle 1.0mm 1/Box                                         | Ea   |
| 43  | 8225251  | Yingling Flex Tip Monopolar Stimulator Probe Tips and Handles 5/Box                                    | Ea   |
| 44  | 8227304  | Prass Paired Electrodes Single Use 2-channel ,18mm 5set/Box                                            | Ea   |
| 45  | 8227301  | Prass Paired Electrodes Single Use 2-channel ,25mm 5set/Box                                            | Ea   |
| 46  | 8227414  | Prass Pired Electrodes with Small Hub Single Use 2-Channel , 12mm 5/Box                                | Ea   |
| 47  | 8227415  | Prass Pired Electrodes with Small Hub Single Use 4-Channel , 12mm 5/Box                                | Ea   |
| 48  | 8227419  | Electrode - 4 ch. 18 mm                                                                                | Ea   |
| 49  | 8227418  | Prass Pired Electrodes with Small Hub Single Use 2-Channel , 18mm 5/Box                                | Ea   |
| 50  | 8227103  | Subdermal Needle Electrodes 2 Channel, 12mm 6/Box                                                      | Ea   |
| 51  | 8227421  | Subdermal Needle Twisted Pair Electrodes 4-Channel, 22mm 1set/Box                                      | Ea   |
| 52  | 8227422  | Subdermal Needle Twisted Pair Electrodes 8-Channel, 22mm 1set/Box                                      | Ea   |
| 53  | 8229506  | Reinforced EMG Endotracheal Tube 6mm ID,9mm OD 1 each                                                  | Ea   |
| 54  | 8229507  | Reinforced EMG Endotracheal Tube 7mm ID,10.5mm OD 1 each                                               | Ea   |

| S/N | Part No. | Item Description                                                                   | Unit |
